A person is walking a tightrope over a mountain range at sunset. The scene is split into two halves: the left half is a faded, grey-toned image of the same scene, and the right half is the original, vibrant image with a warm orange and yellow sky. The person is silhouetted against the bright sky, with their arms outstretched for balance. The tightrope is a thin line stretching across the frame. Two horizontal teal bars are positioned above the top text box, one on the left and one on the right.
