The road to GDPR compliance

1. Maturity Assessment

2. Data process registration and mapping

3. Business activity approximation to the GDPR

4. Creation of a Record of Activities

5. Conduct of Data Protection Impact Assessments

6. Requirement assessment for the appointment of a DPO

7. In-depth implementation of policies and agreements

Industry challenges

- ▶ Trade internationality and the GDPR's material scope
 - international transfers of data
 - Offshore companies
- ▶ Contractual relations
 - Privacy notices
 - Ad hoc agreements
- ▶ Group structure in data mapping
 - Crew rights
- ▶ Data location and retention
 - Vessel data – intercompany transfers
- ▶ Regulatory environment and self-regulation
 - The role of the HDPA

About EY

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. For more information about our organization, please visit ey.com.

About EY's Advisory Services

In a world of unprecedented change, EY Advisory believes a better working world means solving big, complex industry issues and capitalizing on opportunities to help deliver outcomes that grow, optimize and protect clients' businesses. From C-suite and functional leaders of Fortune 100 multinationals to disruptive innovators and emerging market small and medium sized enterprises, EY Advisory teams with clients — from strategy through execution — to help them design better outcomes and deliver long-lasting results. A global mindset, diversity and collaborative culture inspires EY consultants to ask better questions. They work with the client, as well as an ecosystem of internal and external experts, to co-create more innovative answers. Together, EY helps clients' businesses work better. The better the question. The better the answer. The better the world works.

About Platis – Anastassiadis & Associates / EY LAW

Platis – Anastassiadis & Associates is part of the Law Specialty Practice (EY Law) which operates in 73 countries globally and is comprised of 1700 people.

We are an independent law office with a core team of 18 lawyers. Our office provides high quality legal services across the full range of commercial and financial transactions.

Especially in our geographical area, we have established an ongoing cooperation with the respective law firms which are associated with EY, in order to offer seamless and consistent regional services to our clients that have cross country operations.

Our experience allows us to better understand our clients' needs and offer them integrated multidisciplinary solutions in the fields of accounting, tax and financial advisory services. Platis – Anastassiadis & Associates Law Office is solution focused. We work closely with our clients to seek innovative and practical ways of dealing with their issues. Our priority is to help our clients meet their business objectives. Our expertise, commitment and enthusiasm has resulted in the build up of a client base which includes local and international listed, State and private sector companies and financial institutions.
